

2025 VDC MEMBERSHIP

- Returning Members \$450

- New Members \$495

8 (eight) 2-hour training sessions in 2025
Handgun / Rifle / Shotgun

\$15 non-refundable registration fee per session
Cleaning equip & instruction available at each session

Also included in your Membership is a \$50 training credit or discount code. It is valid for use during the Membership year and may be used for any class, except for Membership tuition and registration fees. We can issue it in the form of a certificate or we can just issue a discount code. You can use the code for yourself to register for other classes or use the certificate as a gift or whatever you wish, but it must be used within the calendar year of the Membership; no exceptions and no cash value.

Please consider your schedule and lifestyle before you commit. Any skill level is welcome, we want your COMMITMENT. The VDC Membership is valid **JAN 1, 2025 - DEC 31, 2025**. We put more than enough training sessions on the calendar. If you do not use all of your sessions, we do not refund or roll them into the next year, because the purpose is to train regularly and with purpose. If you attend 4 sessions by the end of June, it will be easier for you to attend 4 more by the end of the Membership, which is **DEC 31, 2025**. We only allow 6 students per session. Anyone can become a Member. However, if you are new to VDC, you must have attended VDC's CCW or DH1 before you can attend your first MEMBERS ONLY training day. You will register for each training session on our website with a \$15 Range Fee (which seems to keep most "motivated" to attend the sessions committed to). If you NO SHOW 3 times or more, we will not be able to offer you a new Membership for the following year. We understand that life happens, but please remember that since we only train 6 Members per session, if you have taken an opening and then no showed, you have blocked someone else's training opportunity. Our Members are very conscientious and this does not happen very often. We will be creating a "last minute text list". If you want to be on this list, mark your # below. If there is a last minute cancellation, we will text you to let you know of the opening. This opening will be filled by the first person/s to reply to the text. Definition of NO SHOW: Giving VDC less than 12 hours notice of your inability to attend. Because this is an application/contract, every individual must complete and submit their own application for consideration. NOTE: Submission of Membership Fees means you understand how the program works, and that you agree to the terms of the 2025 VDC MEMBERSHIP APPLICATION / CONTRACT. As always, please let us know if you have any questions at all. training@valleydefense.com

I, _____, agree to ALL above details, and agree to follow ALL FIREARMS SAFETY RULES & RANGE RULES, at ALL times. I understand that failure to do so, at any time, gives VDC authorization to remove me from the range and/or the Membership immediately. A refund is not guaranteed.
